## SAR-TVMA **TV Mount for Sonos ARC**

Designed to fit easily on to an existing full-motion TV wall mount, the Flexson TV Mount Attachment for Sonos Arc holds the Arc securely in place while allowing it to move with the screen. Flexson's unique design positions the Sonos Arc 30mm in front of the TV, allowing you to harness the power of Dolby Atmos and immerse yourself in your music, movies and more.

The Flexson TV Mount Attachment for Sonos Arc is the perfect partner for TVs from 40in to 80in in size – just add a Sonos Arc for wonderfully unified sound and vision.

Like all Flexson products, the Flexson TV Mount Attachment for Sonos Arc is precision engineered in the UK, easy to fit and comes with all the fixings you need.

- Allows you to attach Sonos Arc securely to any existing TV wall mount
- Easy-to-fit design that holds Sonos Arc securely
