

SM-WM Wall Mount for Sonos Move

This Flexson Wall Mount for Sonos Move allows you to mount your Sonos Move safely and securely, both indoors or out, freeing up valuable surface space in your home or garden. By mounting the Sonos Move on a wall, you not only keep it safe from inquisitive toddlers and pets, you can also position your speaker at the perfect height for enhanced sound projection.

Like all Flexson products, the Flexson Wall Mount for Sonos Move is precision engineered in the UK, easy to fit and comes with all the fixings you need.

- Suitable for use indoors and outdoors
- Ergonomic design
- Quick and easy to fit
- Once fitted, Sonos Move can easily be mounted/unmounted as you move it around
- Precision engineered from UV resistant ABS
- Includes fixing hardware for Brick/Masonry and Wood/Studwork
- Designed in the UK
